

FLOOR MOBILE MOUNT SBOX FS-622

DESCRIPTION

The FS-622 floor mobile screen stand offers a modern and versatile display solution suitable for various environments, including homes, offices, and commercial spaces. With 6 adjustable height levels, the screen position can be easily adapted to different user needs, while tilt and rotation functionality ensures the optimal viewing angle. Smooth mobility is provided by four lockable casters, allowing the stand to be easily moved and securely positioned when needed. Its slim profile enables placement almost flush against the wall to help save space, while the cable management clip keeps cords neatly organized for a clean and tidy setup. Additionally, the reduced package size helps lower storage and shipping costs, making the FS-622 a practical solution for e-commerce distribution.
